From Ms. Skinner:

As we enter this time of Thanksgiving, will you all pause and thank God for all that He has done and continues to do? Blessings are certainly bountiful and should be appreciated every day. I want to say thank you to each of you for allowing Lighthouse Christian School Dinsmore Campus the opportunity and pleasure of working with your child. When we stand together, only great things can happen for the students. As we move into the Christmas season, I pray we keep the attitude of gratitude and remember the one who loves us unconditionally and offers undeserved grace on a daily basis. Please remember our Christmas program on December 11th at 1:30pm. It is always a pleasure to see everyone and begin our Christmas break on a wonderful note. Thanks for all your support and assistance so far this year. It does not go unnoticed!

Novembers Fruit of the Spirit is **PEACE**.

We weren't designed to carry the weight of the world. Yet, we often take on so much that we struggle and, thus, live a life of turmoil. God is the only one who can and will carry our burdens so that we can have PEACE the kind of peace that passes all understanding in every situation. Unshakable peace comes from knowing God and trusting him with every detail of our lives giving us security.

John 16:33 "I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world."

Thank you to everyone who helped with the pumpkin patch and supported us by purchasing your pumpkins with us.

Your support is greatly appreciated!!!

From Ms. Skinner:

Merry Christmas!!! Isn't this time of year great? The winter clothes can get unpacked, the crisp air, the snow on the ground, the music on the radio changes, the hustle and bustle of Oh sorry, we are in Florida there's no snow. Bummer! It is still a great time of year though as we get to celebrate the birth of our Lord and Savior, the reason we can call each other brother and sister and have the assurance of eternity. The cooler weather is great but Jesus is the reason for the season!!!

Decembers Fruit of the Spirit is **PATIENCE**.

What an excellent fruit for this month. I've been told many times never to pray for patience because God will give you situations where your patience will be tried, tested, and proved. Yet patience is definitely something we can all use more of and we see it every day. So how do we get more of it? Well, here are some ways to cultivate patience:

Look for opportunities to practice patience on your own.

Accept what is out of your control.

Remember what matters most to you.

God talks about Patience about 70 times in the bible in all situations of life. Since nothing is new under the sun, the patience he wanted people to learn and practice in the beginning is still the patience we must master today.

Patience: The ability to endure difficult people and situations without giving into anger or giving up on hope

How can you cultivate patience in your life today?

Praying you have a wonderful Christmas Break.

May all the Fruits of the Spirit be evident in your family during this wonderful holiday.
