**From the Director's Desk:**

Dear Parents,

Hello Lighthouse Christian School families. The weather is now warm, the sun is out so try not to miss the beautiful portrait in which God paints for us daily by concentrating on the worldly things that are happening. Get out in the sunshine and enjoy God's work. This school year has been different, but rest assure your student is as always our top priority. Let me encourage you to please keep your student engaged as we make it through these times. As the school year is coming to a close, I look forward to having an inspiring and eventful rest of the year!

God bless.

Yvette Postell
