From the Director's Desk:

Welcome Ms. Woods!

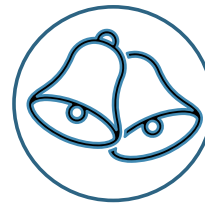

This month Ms. Dianne Woods will be coming on as the new Director of Lighthouse Orange Park. She comes to us with years of experience in education and administration. It is bittersweet for me as I leave this campus I love so much, but I know I am leaving you all in good hands.

I will be transitioning to our Corporate Office as the new Academic Dean, overseeing curriculum and instruction for all 8 Lighthouse Campuses. I will miss seeing all my students' precious faces each day, but I will not be gone far. Thank you all for so many cherished memories. I will carry them all with me as I step into this new role.

Sincerely,

Mrs. Simmons - Director

Lighthouse Grand Prix

Students, start your engines!

All students will participate in the LCS OP Grand Prix. This event is just like the Boy Scout Pinewood Derby, you may be familiar with. Each student will design and build their own pinewood derby racer. This is a cross-curricular project that will count towards Math and Science classes.

Race Day is May 22nd! There will be trophies for Fastest Racer and Best in Show for the best designed racer.

Pinewood Derby kits are available at Amazon.com, Michaels, Hobby Lobby, and scoutshop.org. Kits cost about \$5. Purchase your kit now and start building!

*If you need help purchasing a kit, please contact the office.

Notes from the Teachers:

There will only be 1/2 day and no extended day on Thursday, May 23rd, due to our High School graduation. This will give all our staff and faculty time to prepare.

Uniform Orders!

Get a head start on next year. We are currently taking uniform orders for the 2024-2025 school year. Have your uniform order in by May 29, and you can pick up uniform at orientation in August.
